Russell –

Thank you for confirming your agreement that Fremantle need not respond to the motion for a preliminary injunction until after you've amended it. And, yes, Fremantle agrees not to move to compel arbitration until after the court decides whether to accept your further amended complaint. I've gone ahead and prepared the attached short stipulation, memorializing the parties' agreements. Can you please confirm we have approval to /s/ sign on your behalf? I'd like to get this on file today.

Otherwise, I'll call you tomorrow or Thursday to discuss the service issue, and I'd also like to continue our conversation about arbitration.

Thanks,

Molly
